MORNING BUS ROUTES BEGINNING SEPTEMBER 7, 2010

School District No. 33 Chilliwack Transportation Department 604-792-1255 • www.sd33.bc.ca (Transportation Policy)

MORNING SCHOOL BUS SCHEDULE

Bus routes shown below are listed alphabetically by area and the route followed. Timings are given for arrival at intersections and schools. The actual bus stops are NOT shown however in most cases are the same as last year.

BUS ROUTES

Bus routes are set up to serve catchment area schools. Some routes have been set up to serve schools with special programs such as French Immersion, English Language Learners, Resource Programs, Early Intervention Programs; Board Directed referrals and alternate education programs.

THE THREE RIDER ZONES

- 1. Regular rider zone:** students attending their catchment area school who live beyond 3 km (elementary students) and 4 km (middle and secondary students). Measured as the shortest distance by road and / or walkways. These students are defined as regular riders and the Ministry of Education provides buses for them. Exceptions to this zone are made for students with special needs and English Language Learners approved by student services, student living beyond the 3 km and 4 km limits who cannot be accommodated at their catchment school due to space limitations and students on programs directed by the Board of Education (Resource programs, Early intervention, Drugs and Alcohol, Aboriginal kindergarten and Alternate Schools).
- 2. No rider zone:** This is the urban areas of Chilliwack and Sardis (maps are attached to Transportation Policy 710.1) and an area approximately 2 km by road from rural elementary schools.
- 3. Conditional rider zone:** Bussing may be offered, conditional upon availability basis for students who live within the Conditional rider zone. Priority is given to elementary students and students living furthest away from school.

The bus will not leave the regular route. The conditional rider zone is the area bounded by the **no rider zone** and the **regular rider zone**.

REGISTRATION/PAYMENT

All riders must pay for Transportation; this service will be provided for registered riders to and from catchment area schools and special routes approved by the Superintendent. Families will be charged a fee for this service based on \$200.00 per child to a maximum of \$600.00 per family. Students new to the District or who have not made arrangements for bus service, please contact the Transportation Department. Lost or stolen cards are to be reported to the school office. A fee will be a charged for replacement cards. **Remember - No pass, No ride.**

BUS STOPS

Students are to be at the bus stop at least 5 minutes prior to arrival. School District Policy is that students may have to walk up to a kilometer to and from a bus stop. **Check out our safety brochures on the School District web site.**

BUSING FOR STUDENTS WITH SPECIAL NEEDS

Routes are not listed. Call Transportation at 604-792-1255 for information.

CHILLIWACK TRANSIT SYSTEM

City Transit has set up bus routes to serve schools in the **no rider zones of Chilliwack and Sardis and the Promontory area for VMS & SSS**. Bus passes are available at all Middle and Secondary Schools at a cost of \$23.80 / month with unlimited use. For further information on Chilliwack Transit call 604-795-3838 or www.busonline.ca.
