

Chilliwack School District
"Partners In Learning"

POLICY 504

NON-RESIDENT STUDENTS

The Board supports the admission of non-resident students when applicants fall within criteria defined by Board administrative regulation.

The Board believes that the educational programs and learning environment provided by the school district exists primarily for the benefit of children of school age who reside in Chilliwack.

Any provision for admission of non-resident students will not be at the expense of children resident to Chilliwack school district with respect to space or services.
