

Chilliwack School District  
*"Partners In Learning"*

## **POLICY 907**

---

### **EDUCATION, BUSINESS and COMMUNITY PARTNERSHIPS**

The Chilliwack School Board believes that business and community involvement, in cooperative efforts, with our schools will strengthen and enhance the quality of education provided to our students.

The primary objective of these partnerships must be enhancing educational opportunities for students.

It is expected that any partnership proposal will be consistent with the guidelines contained in the accompanying administrative regulation.
