

Chilliwack School District  
*"Partners In Learning"*

## **POLICY 912**

---

### **SCHOOL PLANNING COUNCILS**

The Board of School Trustees supports the establishment of School Planning Councils for the purposes set out in the School Act. The School Board shall consult with the School Planning Councils as required by the School Act.

The School Board recognizes its responsibility to ensure that School Planning Councils function effectively and in accordance with ethical standards and the School Act to represent the school community in the process of school planning.
